

Tapp Middle School Band

7th and 8th Grade Symphonic Band Concert Uniforms

Students have been fitted for their Symphonic Band Uniforms. They will use these uniforms for their winter and spring concerts, LGPE performances in March, as well as concert performances when they are in high school. The price for the girl's concert dress is **\$64.00**, and the boy's concert uniform is **\$64.00**. **This does NOT include black concert shoes. Since our students are continually growing, dresses and pants will arrive without a hem so that you can adjust for length throughout 7th and 8th grade. We will distribute uniforms in early November so that you have time for hemming.**

FULL PAYMENTS can be made online with credit/debit cards via My Payments Plus at www.cobbk12.org/payments (make sure to click on "Band Uniform Payment" not "Lunch Payment" and include the confirmation # at the bottom of this sheet), or by Cash or Money Order.

SPLIT PAYMENTS must be made in exact **CASH** or **MONEY ORDER**.

Girl's Dresses

The price for the concert dress is **\$64.00**. I have included a picture of the dress the students will be wearing. It has an adjustable tie back. **The student is responsible for hemming the dress to length and providing her own black dress shoe.** The shoe that the students need to have is either a black pump or black flats. I would stay away from anything with a very high heel. If you are unsure if your child's shoe is acceptable, have her bring it in to school to be approved by a band director. If your child does not already have a solid black dress shoe, they can be purchased fairly cheap at any discount department or shoe store. I understand the concern about growing out of shoes quickly. There is a picture of the type of shoe we would like the students to have in this packet.
